

HASTINGS CROSSING

Dear Hastings Crossing BIA,

As we move through the summer and into the fall of an eventful 2020, HxBIA continues to engage on priorities for the downtown eastside. Beyond Covid-related supports such as rent relief and property tax reduction, I have heard from many of you that the levels of garbage and other waste have become a serious barrier to operating in the neighbourhood. The BIA has been working with other DTES organizations and the City of Vancouver to improve conditions and I will have an update on a new cleaning initiative soon.

We are also developing our strategic plan to cover the BIA's next five years. Member input is critical to this plan to ensure we reflect your priorities, concerns, and vision for Hastings Crossing. I encourage you to take five minutes to [complete this survey](#). The survey will be open until August 31 at 5:00 PM.

In addition to the survey, there will be three virtual meetings over the next two months:

- Consultation on August 19 at 6:00 PM
- Consultation on August 27 at 12:00 PM (noon)
- HxBIA Annual General Meeting on September 24 at 6:00 PM

These meetings will be held online and by phone with access details to come. I look forward to hearing from many of you there!

All the best,
Adam
